 - Over 20 million square feet constructed since 2000
 - Products include industrial, office, retail, aviation facilities, tenant improvement, luxury residential and more

CUSTOMER SATISFACTION

“Our relationship with Hillwood is remarkable. We have taken this project from simply a concept to a reality in a matter of only ten months, whereas a project of this magnitude would normally take much longer.”

**Diane Walker, Senior Vice President
DynCorp International**

“Alliance was a natural selection for Daimler Financial Services. We have had an excellent relationship with Hillwood at the building we lease in Westlake. The (new) location, in close proximity to our current employee base, together with the quality environment of Alliance, made our process very easy and keeps our team together.”

**Janet Marzett, Vice President of Customer Service and Remarketing
Mercedes-Benz Financial Services**
